Vol. 1 No. 6

ADDRESS

Serving Elk Point and District

Diana Anderson guides Fija Schwab through the initial procedures in C.P.R.

Could you help?

It's 3:45 a.m. and a man in his early fifties is awakened from his sleep by a sudden tightening in his chest. He decides to sit up for awhile and hopefully the pain will go away. His pyjamas are soaked with perspiration. At 4:15 a.m., his wife awakes from her sleep and she is quite concerned about her husband. The wife leaves the bedroom to call the doctor. It is now 4:30 a.m. as she explains the situation to the doctor. The doctor tells her to call an ambulance and he will meet her at the hospital. She goes back to the bedroom and finds her husband laying on the floor, lifeless, not breathing. She runs back to phone the ambulance. She frantically flips through the telephone book for the ambulance number. Finally she finds the number and in panic explains her plight. The ambulance books on the air at 4:35 a.m., "Respond to 125 Anystreet, N.E. possible heart attack victim". The wife goes back to the bedroom to wait. She watches in horror as her husband lies on the floor. Words cannot describe how helpless she feels. The ambulance appears to be taking forever. The paramedics arrive at 4:39 a.m. They check for pulse, respiration and pupil reaction. Reluctantly a paramedic pulls a sheet off the bed and covers the patient up.

IT IS TOO LATE!!

Cardio Pulmonary Resuscitation Training is simple skills you can learn to save someone suffering from a cardiac arrest. This four hour course teaches the techniques that will enable

you to identify the symptoms, the risk factors, what to do, if there is a cardiac arrest and how to sustain a person suffering from a cardiac arrest until he or she reaches the hospital.

The demand has been great in the past with Diana Anderson, Assistant Director of Nursing, committing approximately 500 hours last year to C.P.R. instructing. Along with six other instructors in St. Paul, Ms. Anderson now hopes to offer a mass C.P.R. Program.

The Elk Point Hospital would like to extend this service to the Community and are planning to hold a C.P.R. course in February/84. If you are interested in attending this course, please contact Diana Anderson at the Elk Point Municipal Hospital, 724-3847. By indicating an interest now, Ms. Anderson will be better able to arrange for the correct number of mannequins, supplies, etc.

This course is presently being offered in St. Paul at the Regional School on Friday, November 4th at 6:00 p.m.; Saturday, November 5th at 9:00 a.m., 12:30 p.m., and 3:30 p.m. To register for this course, contact the Lakeland College at 645-3276.

Employers would be wise to insure that at least one of their employees receive C.P.R. training especially if their business is one in which the public has access to.

C.P.R. also deals with choking. Statistics show that one in every three people will experience choking and therefore will require the attention C.P.R. training teaches. Would you be able to help?

Smile, You're a tourist attraction

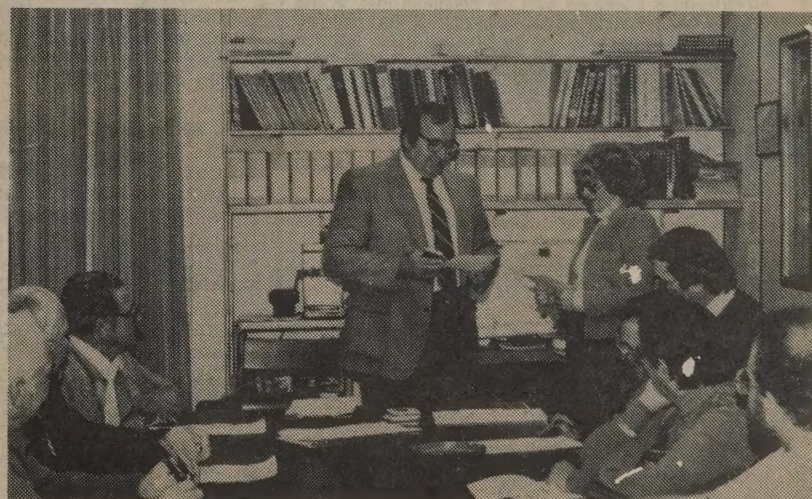

The Travel Industry Association of Alberta is using that heading to promote its hospitality awareness program. In Elk Point, the slogan is just as applicable. One tends to overlook the value of tourism in a small town but often it can be tourism which can make the difference.

When you consider that Tourism is the third most important industry in Alberta, that it generates nearly \$2 billion annually and that approximately 80,000 Albertans depend

on tourism for employment, then it is difficult to justify the apathetic handling of such an asset.

It is interesting to note that the United Nations has identified Tourism as the "single most rapidly growing activity in the world" as well as the most competitive. In order to convince employers and employees of the importance of hospitality, politeness and helpful staff, the Lakeland College is sponsoring a Hospitality Program, November 17 in St. Paul. The one day course is suitable for both employer and employees and is a job

training asset. If you are interested, contact Lakeland College or Ron Barwick for further details.

Elk Point's new council was sworn in Thursday, October 20, 1983. New mayor Ed Buck commits himself to public service while council members look on. In a speech, Mayor Buck stressed that he'd like to see council work "together" on the issues facing the Town of Elk Point.

You may pass Elk Point's Tourist Booth every day but do you realize its importance?

Inside this issue:

- Chamber meeting, turns down request.....Page 4

F.G. Miller Report

Welcome to the second edition of the F.G. Miller Report.

All certification, registration and insurance paperwork for our new bus should be completed by Thursday, October 20th, after which time it will be ready for our use. Again, we would like to thank all the people who made this project such a success.

Heather Barr, program co-ordinator for the "Be Fit For

Life" program put on by the Lakeland College in Vermilion, will be visiting our school on the 17th and 25th of October to give presentations on physical fitness and to do fitness testing and consulting. The two sessions will be divided into the Junior and Senior phys. ed. classes, both of which will be given eighty minutes presentations with fitness testing to follow.

The Computer

Literacy courses offered at F.G. Miller, follow basically the same curriculum, but somewhat different levels of difficulty. Here are the major topics covered.

1. Recognizing and using basic computer terms.
2. Describing historical development of the computer.
3. Describing a computer system.
4. Demonstrating responsible behavior in operating a computer system.
5. Utilizing system commands with prepared programs and available hardware.
6. Using a word processor program to write a composition.
7. Recognize that BASIC is one of the languages commonly used in personal microcomputers.
8. Recognizing that there are several types or versions of the BASIC language.
9. Planning and writing programs with specific objectives in mind.
10. Be able to analyse and alter programs.
11. Computers and their use in society.
12. How computers affect society.

Lakeland College courses in introduction to microcomputers will be offered at Elk Point in the near future. The course, CU 141 Introduction to Microcomputers, can be taken as a credit course, or non-credit if you are still in school. Watch this newspaper for further details.

Danny Kondla (Grade 12) "had an excellent time" on his trip to Ottawa last week, and we'd like to take this opportunity to welcome him back home. The County of St. Paul sponsored Danny for \$250 to send him to the Terry Fox Youth Centre where 74 students (16-17 yrs.) from across

Lawrence Pidluzny of the Elk Point Elks Lodge, presents a cheque for \$684.00 to Chairman of the F.G. Miller Bus Fund John Cabaj. This brings to a total of \$1534.00 donated to the maintenance and operation of the bus since December 1982.

Canada met for 6 nights and 7 days to study the "Environment and Natural Resources". During his stay Danny toured Ottawa by bus, visited the Parliament buildings, the Supreme Court of Canada, Sussex Drive and three museums, and in studying the theme of the week, he heard presentations from oil representatives who spoke on pollution. Anyway, we're glad to have him back.

SPORTS SCOREBOARD
Results of the October 15 weekend Volleyball Tournament in Dewberry

The Grade Seven Language class taught by Miss Lastika at Heinsburg School submitted the following facts, details and insights into their community.

Re-election

On Wednesday October 19, there was a re-election held for Chief of the Frog Lake Band. Raymond Quinney was re-elected. He still remains Chief of Frog Lake, winning by 77 votes.

by Lilly Quinney

We wish the following people Happy Birthday to Carol Waskahat October 30 and Jenny Daniel October 31.

by Vicki

Go Team! Go!

On October 15th the Senior Girls went to Dewberry.

(Senior High) are:

GIRLS - Elk Point 9-15 Marwayne; Elk Point 15-4 Marwayne (coach Debbie Poulin).

BOYS - Elk Point 15-6 Dewberry; Elk Point 15-11 Dewberry (coach Rick Poltras).

BOYS - Elk Point 15-1 Heinsburg; Elk Point 15-13 Heinsburg.

GIRLS - Elk Point 17-15 Heinsburg; Elk Point 15-13 Heinsburg.

BOYS' FINAL - Elk Point 15-10 Heinsburg; Elk Point 5-15 Heinsburg; Elk Point 15-8 Heinsburg. Other scores are not available at this time.

Results of Junior Volleyball, October 17.

Barbara Kulchychyk was 9th in zones at Vermilion and is going to Provincials in Camrose.

Heinsburg kids speak out

The Grade Seven Language class taught by Miss Lastika at Heinsburg School submitted the following facts, details and insights into their community.

Re-election

On Wednesday October 19, there was a re-election held for Chief of the Frog Lake Band. Raymond Quinney was re-elected. He still remains Chief of Frog Lake, winning by 77 votes.

by Lilly Quinney

We wish the following people Happy Birthday to Carol Waskahat October 30 and Jenny Daniel October 31.

by Vicki

Go Team! Go!

On October 15th the Senior Girls went to Dewberry.

Played Elk Point. Lost two games 17-15, 15-13. October 20th, Onion Lake came to Heinsburg to play volleyball. The girls won 1 game at 15-6 for Heinsburg. They lost three games 16-14, 15-1, 15-9. Next game will be held at Elk Point School on Wednesday 26th. They leave Heinsburg at 3:00 p.m.

Twila Smith

Yeh Team! Go! Go! Go!

The Heinsburg Senior High boys went to Dewberry October 15th. They left 7:00 in the morning. When they got there the boys played at 8:00. The Senior boys came in second. Then October 20th the Onion Lake School came to Heinsburg to play volleyball. The boys won two games, first game they had 15 for Heinsburg, and 12 for Onion Lake.

Jr. Volleyball

Heinsburg Jr. Boys Volleyball went to Racette, St. Paul, October 20. The Racette team beat the Jr. Boys 12 to 15, and 13 to 15. Then the Heinsburg played Mallaig. Heinsburg beat Mallaig 15 to 9, and 16 to 14.

by Dwayne Faithful

The gym night at Heinsburg School is Tuesday. The gym is open 7 - 9 p.m. Right now volleyball is being played.

Willy Desjarlais

There will be a Halloween dance at the Frog Lake Hall, October 31 on Monday. The dance will be starting at 12:30 midnight and it will be over 3:15 a.m. \$2.00 for those without costumes. There will be prizes, for the best costumes.

Kitchen corner ates

Something different and delicious, great to use up that garden fresh broccoli, is our broccoli bisque with mushroom dumplings, a cheese plate and fresh fruit.

Broccoli Bisque

1 1/4 to 1 1/2 pounds fresh broccoli, trimmed and cut up OR 2 - 10 ounce packages frozen chopped broccoli
2 13 3/4 ounce cans chicken broth
1 medium onion, quartered
2 tablespoons butter or margarine
1 to 2 teaspoons curry powder
1 teaspoon salt
Dash pepper
2 tablespoons lime juice

In large saucepan combine fresh or frozen broccoli, broth, onion, butter or margarine, curry, salt, and pepper. Bring to boil. Reduce heat: simmer, covered 8 to 12 minutes or till broccoli is just tender. Place half the broccoli broth mixture in blender container. Cover; blend till smooth. Repeat with remaining. Stir in lime juice. May be served hot or chilled with dairy sour cream.

Mushroom Dumplings

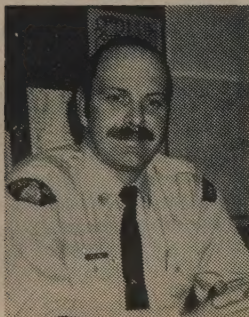

Mix 1 cup all purpose flour, 1 beaten egg, 2 to 3 tablespoons water, and 1/4 teaspoon salt. Knead on floured surface till smooth and elastic. Cover, let stand 10 minutes. Meanwhile, cook 2 tablespoons chopped onion in 1 tablespoon butter or margarine. Chop the cooked or canned mushrooms; stir into onion mixture with 1 egg white, 1 tablespoon fine dry bread crumbs, 1/4 teaspoon salt, and dash pepper. Divide dough in half. Roll each half to 1/8 thickness; cut in 1 1/2 inch squares. Top each square with 1/2 teaspoon of the mushroom mixture; fold the square in half diagonally to form a triangle. Seal. Cook in large amount of boiling, salted water for 5 minutes. Serve with broccoli bisque above.

Hint

It's window washing time. Use old newspapers to polish windows after cleaning with 3 tablespoons ammonia & one tablespoon vinegar in cool water. They're cheap, they have no lint, and the ink contains a special polishing agent that can't be beat.

Marianne

From "The Sergeant's Desk"

people have while 'trick or treating'.

I have conducted criminal investigations into Hallowe'en tricks. One that comes to mind was an incident where some young fellows decided to light some bales on fire. The fire caused \$6,000.00 worth of damage as it destroyed a farmer's winter feed. The youngsters received varying sentences from three to nine months in gaol for their part in the arson.

I have investigated wilful damage and mischief charges when the victims of

Hallowe'en jokes reported \$50.00 to \$600.00 worth of damage to their homes or automobiles.

In most cases I suppose, Hallowe'en trickery seems to be the right thing to do at the time. I can assure you that the thrill quickly changes when you are trying to ex-

plain to a judge that the trick you played was only in fun.

Good clean fun at Hallowe'en can be tolerated but any offense that causes any loss to public or private property will not be. Think about who might get hurt before you play a trick. It might be you in the way of a lifelong criminal record.

To all young people
With the upcoming celebrations of Hallowe'en, I thought it might be worthwhile mentioning the more serious side of the fun

A Curl Canada Clinic

Is being sponsored by
Elk Point Curling Club

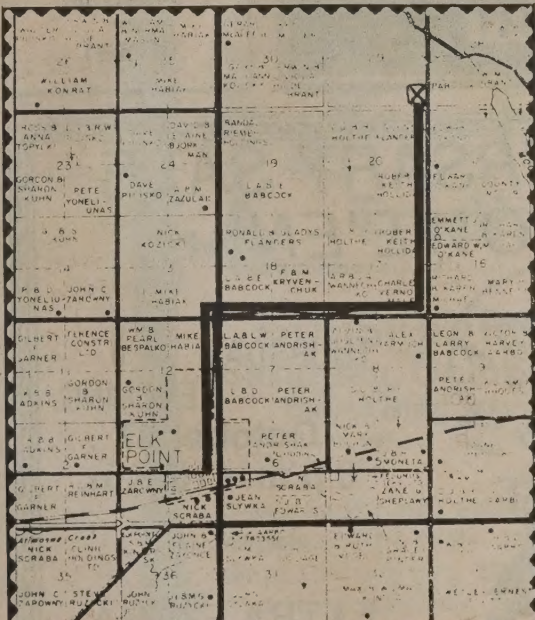

December 3, 1983, 9 a.m. - 6 p.m.

Learn proper techniques of curling. Qualified Curl Canada instructors will be on hand.

Pre-registration is necessary. Send cheque of \$12.50 per person to Bernice Polechuk, Box 697, Elk Point or phone 724-4198. Cheques must be made payable to Elk Point Curling Club.

Registration deadline November 18, 1983. Open to all students, curlers - anyone interested in curling.

For further information or arrangements phone Bernice 724-4198.

Please be advised that the 'Modified Sanitary Landfill (better known as the town nuisance ground) is located one mile North, two miles East and two miles North of Elk Point as shown above.

CURLERS CURLERS

Registration at Elk Point Curling Rink

Thursday, November 3, 7 - 9 p.m.
Tuesday, November 8, 7 - 9 p.m.

Chamber News

On Wednesday, October 19 twenty-one people attended the bi-monthly luncheon meeting of the Elk Point Chamber of Commerce.

The election forum sponsored by the Chamber was discussed. Approximately forty-seven people had attended the forum. Ed Buck commented on the noticeable absence of young people.

Three representatives of the Derwent Board of Trade were present requesting the Chamber in letter form, give them premission to Derwent's Board of Trade "an-nexing" some of the Elk

Point Chamber's 'territory'. The extra 'land' is required by Derwent's Board of Trade in order to achieve incorporation. It appears to be only a formality as the Elk Point Chamber was not aware that boundaries even existed.

The motion to relinquish the necessary land was defeated for the present time until further information can be obtained.

The Chamber made preparation arrangements for the upcoming annual meeting. The Nominating Committee was identified and will be approaching potential new members both for executive positions and as committee members. The Chamber of Commerce is an asset to the community it serves. If you feel you have something to offer, why not volunteer.

Kids speak out from page 2

"It Pays to Be Safe for Hallowe'en"

Wear some clothes that are fairly light,
So you can be seen in the dark of night.
Be careful with the treats you eat,
And save them till you get home.
Poison in your treat,
Could really have you beat.
Masks could just be dangerous too,
It's hard for you to see through.
Please be careful of where you walk,
Especially if you're in a parking lot.
Don't wear something that is quite long,
You could trip and fall,
Please don't play it wrong.

Have a safe Hallowe'en!

Cards of Thanks

We would like to express our sincere thanks for the acts of kindness in the loss of our husband, father, grandfather and great-grandfather Mike Drobot Sr.

Special thanks to Dr. Woytiuk and staff of the St. Thresa Hospital, Rev. Jones, Yewchins Funeral Chapel, Pallbearers, Noel Marcoux, and Pete and Madeline Twedy.

Sincere thanks for the many messages of sympathy and donations of baking.

Your kindness, assistance, comfort and thoughtfulness during our time of sorrow will always be remembered.

Rosie Drobot
& Family

A Vote of Thanks

Fritz Younghaus wishes to express his thanks to the voters of Division One for their support in the recent election. A special word of thanks to the agents loyal support. I also take this opportunity to congratulate Bob Smith the successful candidate.

Obituary Drobot

Mike Drobot Sr. was born in Bucovina, Ukraine on May 24, 1891. In the year of 1902, having heard of the land of opportunity "Canada", his brother and him decided to go in 1903.

They left by train from Bucovina to Antwerp, Belgium. From there they boarded a ship which took about 12 days to arrive at Montreal. At Montreal they boarded a train which took them to Winnipeg, where he obtained a job with the C.N.

At the age of 17 he left for the west. When he arrived at North Battleford, he was lucky to get a job shovelling coal on a coal dock. A year had passed so he was eligible for a free pass on the railroad. He quit his job and took a trip back to Winnipeg and Gonner, Manitoba to visit with friends and some relatives. There he looked for a homestead but the land was poor and mostly sandy. So he returned to North Battleford and worked on the coal dock again. Then he was transferred to Vermillion where he was employed for 2 years.

The urge to go homesteading was strong so he took leave of 4-5 days. He talked to some farmers and they told him that there were homesteads on the north side of the river. So at the age of 23 he set out looking and made his application on May 26, 1914, for the S.W.-10-56-8 west of the 4th meridian.

Mike Drobot Sr. came to Canada, "land of opportunity."

From then on it was brushing, breaking of this new land, and of course skidding and peeling logs for a new home. There were good years and some bad.

On August 2nd, 1915, he married Sophie Topolinsky of Willingdon. From this union there were six children - Mary (deceased), Annie, John, Mike, Steve and Olga. In 1937, his wife Sophie passed away, a cancer victim. What could one do but carry on.

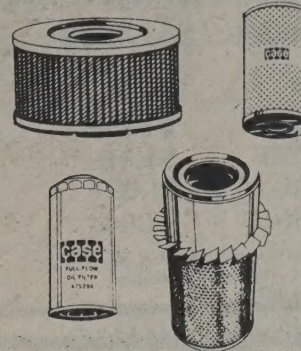

On May 24th, 1938 he remarried to Rosie Yakimowich. From this union there were two children - Josephine and Orest. He loved the land very much as we all know. He farmed until 1970, when he retired and lived on his homestead of 69 years until the time of his passing at the age of 92.

He leaves to mourn his loving wife, Rosie;

sons, John (Gladys), Mike (Ella), Steve (Elma) Orest (Florence); daughters, Annie (Jack) Robertson, Olga (George) Leckie, Josephine (Edward) Wirsta; 20 grandchildren; and 11 great grandchildren.

Ukrainian Dance Club News

The Elk Point and District Ukrainian Dance Club is once again in full swing. There are 51 dancers enrolled this year, the largest group since the club started five years ago. Thirteen newcomers have joined the club and four past members returned after a one year break, also there are twelve seniors.

Elk Ed Pankiw presents Ukrainian Dance Club member Beverly Bepalko with a cheque for \$400.00.

The first fund raiser which the club participates in is the annual local flea market held by the Royal Purple which is on Saturday, November 19th. Once again the club table will be filled with the different varieties of Ukrainian dishes.

A raffle is underway and tickets will be on sale soon. The main prize is a 55 piece Ukrainian designed dinnerware set which is presently on display in the window of Albi Electric.

The dancers are again

practicing for the annual pyrohy supper that will be held on January 28th.

This year the instructor has informed the parents that he will be teaching the Hutzul dance to the younger group. Therefore the traditional colorful vests will again have to be made. Workshops are presently being organized for making the dress attire. Material is sometimes hard to come by for many of the costumes. However, the costume committee has been very fortunate in obtaining most of the supplies from the local fabric shop in town. These costumes will be ready for the young dancers for the annual spring concert.

The club raises money for operating in a few different ways, but it still does not meet the expenses incurred during the year. Instructional fees are the greatest expense, but the provincial government does provide some funding for instructional purposes to preserve culture.

This year the provincial government only granted one-fifth of the monies applied for instructional expense. Because the club did not receive a total grant applied for, other sources had to be found. The grants committee event to some local organizations. The Elk Point Elks Club #460 acted very quickly, and within two weeks of application a cheque in the amount of \$400.00 was presented to the Club from Elks member, Mr. Ed Pankiw. Thanks to all the members of the local Elks Club for the charitable donation. Also the local FC-SS board gave the club a cheque in the amount of \$300.00 which was previously spent to take the dancers to the Ukrainian Village at Elk Island Park.

It is very nice to know that there are such generous organizations in our local town who are willing to help out in a time of need.

First Match held

Lakeland Kennel and Obedience Club, an all breed conformation and obedience club formed in the area one year ago, held it's first Canadian Kennel Club Sanction Match and Sanctioned Obedience Match on Sunday, October 2, 1983, at the

Bonnyville Curling Club. The Conformation Judges were Ms. Elaine Mitchell and Mr. Tony Cumming, who are professional handlers from the Edmonton area. The Obedience Judge was Ms. Virginia Cummings who operates the Western Canine

Academy in Edmonton, and is intending to apply for her judging licence in the near future.

There were 32 conformation entries received, coming from the immediate

classes signed up.

Anyone wanting to make a "Northland Parka" before Xmas get in touch at 724-4101, Tuesday, Wednesday and Thursday from 4:30 to 6:30. Don't forget "Put a Little Class in Your Night Life".

area and also from Marwayne, Vilna, Calmar, Manville and Spruce Grove. Judging is done at the Breed, Group and Match level, with Best in Match and Best Puppy in Match going to a Pug puppy, Paarl's Pandora, owned and handled by Trish Leppaie of St. Paul.

Thirteen obedience entries were received, with entries in all of the three main divisions of Novice, Open and Utility. High Score in Match

went to a Shetland Sheepdog, Ch. Harcourt Wimpley, owned and handled by Helen Jansen of Bonnyville, with a score of 195½ out of a possible 200 points.

A Sanction Match is a training ground for clubs intending to put on championship point shows in the future. It is also intended to be a training ground for handlers and dogs and more matches will be organized in the future. It is expected that

entries of 250 - 300 dogs could be received at a championship point show, bringing also of course a large number of people and demand for motel and restaurant services. Anyone interested in learning more about the Lakeland Kennel and Obedience Club can contact Helen Jansen in Bonnyville or any other member of the executive, whose names could be supplied by Terry Bagley at Terramana Kennel.

Further Ed. News

Ring! Ring! Ring! "Can I please register for a Further Ed. class?" that's the question the secretary has been answering for the past two weeks. The classes are filling up over capacity which is how we like it.

The two "Aerobic" classes have started enthusiastically with a "Bend", "Stretch", "Jog", "Let's go". We should have some of the healthiest residents in the area. We have moved to a larger room for "Beginners", so more can register.

"Re-upholstery" is filled to almost over capacity too.

This week "Basic Sewing", "Old Time Dancing" and "Oil Painting" begin so get registration fees in now.

Mr. Holthe, is representing our Further Education Coun-

cil at the A.A.C.E. Conference held at Red Deer this week.

Heinsburg classes will soon be starting the "Computer Course" which has two

Pioneer Circle

by Irene Magnusson

The Elk Point Pioneer Circle held their regular general membership meeting on October 18th, 1983, in their hall in Elk Point. Marg Clark, Chairman, called the meeting to order at 2:30 p.m., with approximately 30 members present.

Minutes were read and corrected, then adopted. Lillian Sass, treasurer, gave the financial report, showing the bank balance to be quite favorable, with income from hall rental, a refund of \$75 from the Canada Day Committee, and some income from the Bingos, held weekly. Several donations have been made, principally to the F.G. Miller High School bus fund. Other donations included one to Mr. Smith, tornado victim.

The group was in agreement to purchase 1,000 whist score cards, to save running out at odd moments. There is continuing whist played Friday evenings in the hall.

The tops for the card tables require covering, and Frank Zarowney volunteered to look after getting this done.

It was pointed out by the chair that a Bingo Committee was required, to look after details for each month. Mrs. Alice Craig volunteered to do this for the first month, commencing October 26. If she is absent any time, she will arrange someone to

replace her.

Grace Lien, secretary, volunteered to look after arrangements for a cribbage tournament. All players in these games will pay a \$1. entry fee. The tournament should commence around November 1st.

Suggestions that there will be a shuffleboard tournament stirred discussions, and it was pointed out that all play should follow the same rules as other groups play under, so that players could enter in competition with them. A set of official rules could be procured.

Chairman Clark asked for a show of hands of those ladies interested in learning to play pool. Interest was low, especially since they would have to play in the forenoons. Carpet bowling brought a much greater response, with enough hands showing to form several teams. A team requires eight persons. Mrs. Clark will contact someone who has equipment to bring it to the hall and give a demonstration to the members.

The matter of members paying for use of the hall came up again, and it was agreed that any member should be allowed to use the hall without charge for fiftieth anniversaries, with the

stipulation that they would see that the hall was cleaned after use.

Announcements were that a free Bingo would be held in Bonnyville, sponsored by the businessmen of the area. Pioneer Circle members are invited to attend. This to be October 30, 1983 at 3 p.m. If enough interest is shown, a bus will be available from St. Paul.

A phone call from K and K Bus Lines at St. Paul offered a route to Edmonton's West Mall and return for \$15, to seniors. The bus would leave at 7:30 a.m. from Elk Point and return from the Mall at 4:00 p.m. same day, allowing ample time for shopping and sight-seeing. If interest was shown, a set day could be arranged. Last week the bus went on Wednesday, which the group didn't see as a good day. It's Bingo day for Elk Point Pioneer Circle.

The ladies were also not interested in having a special "Ladies Day", but some agreed it would be nice to have a dance once a month. This will be attempted. November will see the meeting start at 2 p.m., a directors' meeting, 3rd Tuesday, the 15th.
